

Harvest of the Month

Network for a Healthy California

The Harvest of the Month featured vegetable is **potato**

Health and Learning Success Go Hand-in-Hand

Healthy students focus, learn, and do better in the classroom. They are also less likely to miss school. Serve a variety of colorful fruits and vegetables every day to help your family be healthy. *Harvest of the Month* can provide you with ideas to help your family live a healthy, active lifestyle.

Produce Tips

- Choose firm potatoes with smooth skin. Avoid potatoes that are shriveled, bruised, or have sprouts. Also avoid potatoes with any green coloring.
- Store potatoes in a cool, dark, and dry place (not the refrigerator). Place them in a burlap bag or plastic bag with holes. When stored properly, potatoes can keep up to five weeks.
- Wash potatoes thoroughly before cooking.

Healthy Serving Ideas

- Boil, bake, roast, or grill potatoes. Sprinkle with fresh herbs and spices.
- Top baked potatoes with mashed avocado instead of butter. Other toppings include salsa, broccoli, lowfat cheddar cheese, and lowfat cottage cheese.
- Boil cubes of potatoes and carrot slices. Mash with a small amount of reduced-sodium chicken broth to make orange mashed potatoes.
- Serve water, lowfat or nonfat milk, or 100% juice to your child.

OVEN WEDGE FRIES

Makes 4 servings. 1 cup each.

Cook time: 25 minutes

Ingredients:

- Nonstick cooking spray
- 2 large russet potatoes, wedged
- 2 cloves garlic, finely chopped
- 1 teaspoon Italian herb seasoning mix
- 1 teaspoon chili powder or paprika

1. Preheat oven to 400 F. Spray cookie sheet with nonstick cooking spray. Place potato wedges on sheet.
2. In a small bowl, combine garlic with seasonings. Sprinkle ½ of the mixture over top of potato wedges.
3. Bake wedges for about 7 minutes or until they start to brown. Flip wedges over and sprinkle with the remaining mixture.
4. Bake for another 7 minutes or until wedges are brown and cooked through. Serve hot.

Nutrition information per serving:
